March 2012

1

National Nutrition Month
Eat lots of organic, locally-grown fruits and vegetables!

2

“If you want to go fast, go alone;
if you want to go far, go together.”

African proverb

3

4

Cool fact!
Deserts are found on every continent!

5

Make art with a positive environmental message! Use as many reusable items as possible.

6

In 1973, the Convention on International Trade in Endangered Species of Wild Fauna and Flora was adopted to stop the trading of endangered species.

7

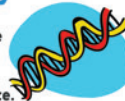

8

Jane Goodall, a British environmentalist, is considered to be the world's leading expert on chimpanzees.

9

Kermode black bears and white Bengal tigers are not albino. They have a rare genetic trait that causes their fur to be white. Both species are in danger of becoming extinct.

10

11

When the dishwasher is used at your home or school, make sure that it's full.

12

Guess who?

13

“Butterflies are graceful, varied and enchanting, small but approachable. Butterflies lead you to the sunny side of life. And everyone deserves a little sunshine.”

Jeffrey Glassberg

14

15

The average Canadian uses twice the amount of water each day as someone from France.

16

Ask an adult to teach you to cook. Use as many local and organic ingredients as possible.

17

St. Patrick's Day

Don't just wear green, be green!

18

Cool fact!
In 1879, the first hydroelectric power plant was built in Niagara Falls.

19

“Care for the air!”

www.planetpals.com

20

First Day of Spring

Vernal Equinox

21

Plant native species. They are adapted to the local climate and will thrive without a lot of effort.

22

Try to conserve as much water as possible at home and school today! Check out ecokids.ca to find out how!

23

On this day in 2009, the University of Winnipeg was the first Canadian university to ban bottled water.

24

On this day in 1989, the Exxon Valdez spilled at least 40 million litres of oil off the coast of Alaska.

25

Every year, about 16 million lightning storms happen around the world. Every second there are about 100 flashes of lightning.

26

27

Cool fact!

Grizzly bears can run as fast as 55km per hour!

28

Riddle:
What did the tree say to the woodcutters?

Answer:
Leaf me alone!

29

Write a letter to your local politician and ask what they are doing to help the environment.

30

“The earth is what we all have in common.”

Wendell Berry Author, farmer, cultural critic
